NEW HOME ENERGY STAR REBATE APPLICATION

Investing in Your Energy Efficiency

- Rebates are only available to qualifying residential electric customers that have had a certified HERS rater qualify the home as Energy Star. To find a certified HERS rater in your area, visit the Residential Energy Services Network at www.natresnet.org.
- Raters must belong to Energy and Environment Ratings Alliance.
- \$1000 will be paid to home owners for custom homes and builders for speculation homes. Rebates are offered on a first-come, first served basis as funding is available each fiscal year.

Checklist:

Columbia Water & Light's New Home Energy Star rebate program goes into effect May 15, 2008.

- Copy of Thermal Bypass Inspection Checklist: Must be signed by rater and builder.
- Copy of Energy Star Home Verification Summary: Must meet or exceed EPA's requirements.
- Copy of Energy Star Certificate: Must have index of 85 or less.
- Permits: A copy of the building permit from the City of Columbia Protective Inspection Division of Public Works must be submitted along with the application.
- Deadlines: The rebate application form and receipts must be submitted to Columbia Water & Light within six months of completion. Incomplete or incorrect applications must be corrected within 30 days or the applicant will risk losing his/her place in the rebate funding process.
